

MITCHELL VAN BRAECKEL

Guelph, ON · (519) 212-9912 · mvanbrae@uoguelph.ca · <https://github.com/mvanbraeckel>

TECHNICAL SKILLS

- **Languages:** Bash, C/C++/C#, (S)CSS/HTML, GraphQL, Java, JS/TS, Python, React, VB, YAML
- **Databases:** Cassandra, MySQL, NoSQL, Oracle, PostgreSQL (PLpgSQL), Redis
- **Frameworks:** Django, Kafka, Kubernetes, microservices, .Net, NodeJS, React, REST, Swagger
- **Dev Tools:** AWS, Azure, Docker, Elasticsearch, GCP, Git, Jenkins, Jira, PS, Protobufs, RPCX
- **Other Skills:** Agile SDLCs, pair programming, code reviews, testing techniques, CI/CD

EDUCATION

SOFTWARE ENGINEERING (CO-OP), MINOR MATHEMATICS

SEP 2017 – APR 2022

UNIVERSITY OF GUELPH – BACHELOR OF COMPUTING

GUELPH, ON

- GPA: 3.95; Earned cumulative average: 93.23%; Earned core average: 95.88%
- Completed CIS*4300: Human Computer Interaction (100%)
- Completed CIS*4250: Software Design V (100%)
- Completed CIS*4010: Cloud Computing (100%)
- Completed CIS*3530: Data Base Systems and Concepts (100%)
- Completed CIS*2750: Software System Development and Integration (100%)

WORK EXPERIENCE

SOFTWARE ENGINEERING CO-OP

JAN 2021 – AUG 2021

WAVE FINANCIAL INC. – FINANCIAL CAPABILITIES (PAYMENTS) TEAM

TORONTO, ON

- Led development for the “Risk Toolbox” (RT) initiative to replace fragile web scraping scripts used by risk analysts with an internal app that meets compliance requirements and leverages third-party APIs, such as TransUnion, Ekata, PLAID, GIACT, and LexisNexis, to identify fraud flags and verify credit report, name, address, and bank account information
- Obtained professional experience with the following languages and tools while leading RT development across multiple teams, repos, and internal apps: Python (Django), pytest, Mypy, Flake8, Black, isort, AWS Encryption SDK, Poetry, RPCX, Google Protobufs, CircleCI, GraphQL, JS, CSS, SCSS, HTML, functional React with web hooks, and Datadog

APPLICATION DEVELOPER / WEB DESIGN

JUN 2020 – AUG 2020

UNIVERSITY OF GUELPH – HOSPITALITY SERVICES, INFORMATION TECHNOLOGY

GUELPH, ON

- Completed various projects working with UoG HS systems and web applications, where the main highlight was integrating Moneris, a new credit card payment system, in C# and .NET
- Developed code and worked independently while responsibly reporting project progress to a manager, which allowed me to learn many new things: both technical and non-technical

SOFTWARE ENGINEERING INTERN

APR 2019 – DEC 2019

NCR CORPORATION

WATERLOO, ON

- Developed RESTful API in YAML and Swagger that operates using Java-based microservices that reside in a Kubernetes environment setup with Docker containers
- Worked using Scrum Agile SDLC within a large team of 8+ developers in coordination with another 6 teams using end-to-end, continuous integration testing techniques
- Led the creation, improvement, and management of documents for developers and coding standards to maintain consistency in the custom programming language used at NCR

COMPUTING & COMMUNICATIONS SERVICES CONSULTANT

NOV 2018 – PRESENT

UNIVERSITY OF GUELPH – CCS CLIENT PRODUCTIVITY

GUELPH, ON

- CCS Help Centre: Actively listen to and assist clients remotely to resolve technical difficulties promptly by providing the appropriate information and direction to the proper resources
- IT Help Desk: Effectively apply technical knowledge and skills to troubleshoot client issues face-to-face and swiftly develop a solution using analytical problem-solving ability

LEVEL 3.5 UMPIRE

MAR 2012 – APR 2022

BASEBALL ONTARIO

GUELPH, ON

- Update game availability online weekly using organizational abilities for over 200 games
- Arrive 30 minutes before scheduled start time by planning and managing time wisely
- Communicate with up to 3 other umpires to enforce baseball rules and make fair, impartial judgement calls to ensure the game progresses smoothly and safely

GRYPHON ACTIVITY CAMP COUNSELLOR

JUL 2018 – AUG 2018

UNIVERSITY OF GUELPH – ATHLETICS

GUELPH, ON

- Improved teamwork by cooperating and collaborating with coworkers to efficiently run camp
- Enhanced leadership skills by monitoring groups of 18+ children while programming and preparing sports and craft activities during each day of camp

COMMUNITY ENGAGEMENT

VARSITY BADMINTON TEAM & CLUB

SEP 2017 – PRESENT

REP GUELPH ROYALS BASEBALL

SEP 2007 – AUG 2017

- Won numerous MVP awards and tournaments
- Awarded R. Jack Middlemass Scholarship (\$3500), Jul 2017 – given to one player in Ontario
